**PURPOSE:**  
 The academic discussion session provides an opportunity for participants to relax by listening to, or participating in, a pleasant exchange of ideas about a topic that is directly of your interest. It provides an opportunity to break the otherwise slightly boring schedule of speeches which will be delivered during the conference. The topic: "PUBLIC VS PRIVATE UNIVERSITIES AND INSTITUTIONS OF HIGHER EDUCATION" is an opportunity to discuss the place of academic discourse in a number of countries, or in society in general.

At an academic discussion session, each panel member will have 5 minutes to put forward his or her views followed by questions/comments from the floor.
