# EXTRAORDINARY EVENTS BEGIN WITH AN EXTRAORDINARY DESTINATION.

***Introducing Malaysia, a melting pot of the finest that Asia has to offer, strategically combined with global standards and an international outlook.***

**Y**our event is hosted in enchanting Malaysia, the gateway to all of Asia. Malaysia, a tropical paradise at the tip of South East Asia, offers visitors their first taste of Asia's most dominant cultures. People of Malay, Chinese, Indian and indigenous heritage live together embracing a uniquely Malaysian lifestyle that celebrates differences.

Malaysia is truly a land of contrasts. Its attractions range from scenic landscapes of lush rainforests and crystal blue oceans to quaint little villages featuring wooden huts on stilts, with its cityscapes consisting of smart skyscrapers and multiplexes that house global corporations, international retail brands and luxurious high rise homes. The Malaysian cuisine too has gained worldwide fame for its enticing tastes, flavours, textures and smells birthed by an eclectic mix of traditional Malay, Chinese and Indian gastronomical delights.

Malaysia is easily one of the most travel friendly countries in the region. Global languages like English and Mandarin are widely spoken and extensive travel services are available at hand...

## WEATHER

As an equatorial country, Malaysia enjoys a tropical climate year round with temperatures fluctuating from 21°C to 32°C at sea level, while temperatures at higher elevations range from 15°C to 25°C . Annual rainfall varies from 2,000mm to 2,500mm. The wet season on the west of the peninsula (Apr-Oct) brings thunderstorms in the afternoons, but these are usually brief, and the odd downpour is a welcome way to reduce the humidity. The east coast however tends to have a heavier wet season and is best avoided during the rainy period (Nov-Feb). During these months, many of the beach resorts close, re-opening in March.

## CURRENCY

Licensed Money changers are based in most shopping malls in cities and operate from 10.00am to 10.00pm throughout the week. Money changing services are also provided 24/7 at most hotels.

## HEALTH SERVICES

In case of a medical emergency, public and private healthcare centres of international standards are located within easy reach.

## CREDIT CARDS

All major credit cards are accepted in most hotels, restaurants and shopping malls. Cash advances against all major credit cards too can be made at most banks while cash withdrawals can be made on payments cards bearing the Cirrus, Plus and MAESTRO logos at Automated Teller Machines (ATMs) of banks throughout the country.

## TRANSPORTATION

Malaysia is supported by a well-established infrastructure system consisting of a comprehensive network of expressways that facilitate smooth intra-city and inter-state road travel. Public transportation consist of taxis, express trains and light rail transit. Extensive air travel networks covering both domestic and international routes are also available.

**C**onnexion Conference & Event Centre (CCEC) is strategically located at the heart of Kuala Lumpur, a cosmopolitan Asian metropolis which aspires to be a world class city by 2020. Featuring infrastructure of international standards, Kuala Lumpur supports a demanding business and social lifestyle and plays a key role in the fast growing ASEAN region.

Live, Work and Play is the mantra of most KLites as they balance the drive and ambition that come with living in a city as progressive as Kuala Lumpur. The city plays host to strong corporate and service sectors and complements its status as a leading city of business and commerce with equally vibrant recreational offerings. Shopping, dining and clubbing are just a few ways KLites choose to unwind.

***Kuala Lumpur's many attractions draws thousands of tourists each year. Amongst her most frequently visited landmarks are:***

**Petronas Twin Towers** – These iconic towers of steel and glass bearing Islamic motifs stand majestically in Kuala Lumpur's city centre. At a height of 451.9 metres, the linked 88-storey twin structure is regarded as Kuala Lumpur's crown jewel. A skybridge at 170metres which symbolises a gateway to the future connects the two towers and provides a stunning vantage point of Kuala Lumpur.

**Merdeka Square** is the historical site where Malaya's independence from colonial rule was declared in 1957. It was at Merdeka Square that the Union Jack Flag was lowered and the Malayan flag was raised for the very first time. Today a flagpole bearing the flag of Malaysia stands tall on the square.

**Kuala Lumpur Bird Park** is 20.9 acre public aviary located in the serene and scenic Lake Gardens. It is the world's largest Free-flight, Walk-in aviary. It is the home to more than 3,000 birds of approximately 200 species of local and foreign birds. Based on its free-flight concept, birds are let free in the aviary which closely resembles their natural habitat and are able to breed naturally in this unique environment.

**Bintang Walk** is regarded as Kuala Lumpur's trendiest shopping and entertainment district. It covers Jalan Bukit Bintang and its surrounding areas and features stretches of shopping centres, five-star hotels, restaurants and clubs. Viewed as the fashion capital of the country, Bintang Walk features upscale malls carrying international fashion brands. The nightlife at Bintang Walk is also legendary amongst locals, particularly around the Changkat Bukit Bintang area where there is a concentration of exciting nightspots.

**Aquaria KLCC** is an oceanarium that showcases over 5,000 fish and other types of marine life from Malaysia and different parts of the world. It is located in the Kuala Lumpur City Centre area. Visitors to KLCC are taken on an aquatic journey that charts the flow of natural waters from the highlands to rivers and deep seas and also get to enjoy spectacular views of divers feeding sharks.

# SAY HELLO TO BANGSAR SOUTH, MALAYSIA'S ULTIMATE INTEGRATED DESTINATION FOR WORK AND PLAY

---

**B**angsar South was conceived as a place where business, social and entertainment needs coexist in perfect harmony. Located at the true beating heart of the Klang Valley, within easy reach of Kuala Lumpur, Petaling Jaya and Damansara, this award-winning integrated development offers travellers an unparalleled range of gastronomical, retail and accommodation options to choose from.

## **World Class Accommodation**

Two hotels and service residences call Bangsar South home, each offering the modern amenities and services demanded by today's business traveller. The newest of these developments, the 432 room VE Hotel and Residences, features a 24 hour gym and an infinity pool. Capri by Fraser, on the other hand, is a luxury serviced apartment designed to combine the opulence of a hotel stay with the familiar comforts of home.

### **Fantastic F&B**

A truly staggering range of food and beverage options reflect Bangsar South's international appeal. At Nexus lifestyle hub, travellers will find gastronomy abound from traditional Thai to contemporary Japanese, while various alfresco outlets are scattered throughout the vicinity of the neighbourhood.

### **A Living, Breathing Community**

Even if you never leave Bangsar South during your time in Malaysia, you will have every facility to fulfil your every need. Exciting retail outlets dot the development, surrounded by the award-winning 6-acre Central Park, while Bangsar South even features a full service medical centre in the form of Life Care Diagnostic Centre.

Regular shuttle buses connect the many parts of Bangsar South, making transport a breeze.

### **A Hub For Business**

Some of Malaysia's most progressive and fastest-moving companies call Bangsar South home. Thanks to a collaboration with the Malaysian Digital Economy Corporation (MDEC), dedicated office blocks and units are set aside for MSC Malaysia status companies, a mark given to companies who use ICT to attain world class standards.

Aside from two purpose-built office developments - The Horizon and The Vertical - Bangsar South is also home to The Hive, a business incubator that also provides hot desking, virtual office and meeting and conferencing facilities.

# CONNEXION CONFERENCE & EVENT CENTRE (CCEC)

## *A Name That Spells Connectivity*

### **At The Heart Of It All**

Bangsar South sits strategically at the intersection of Petaling Jaya and Kuala Lumpur, straddling the active neighbourhoods of Bangsar, Bukit Damansara and Midvalley.

The area is only 10-minutes away from KL Sentral, Malaysia's main transit hub. In addition to serving taxi and bus lines, KL Sentral provides a direct link via an integrated rail system to Kuala Lumpur's main urban and suburban areas, the Kuala Lumpur International Airport and Putrajaya (the Federal Government Administrative Centre).

Bangsar South is also easily accessible via major expressways including the New Pantai Expressway (NPE), the Federal Highway and the Kerinchi Link, also boasting excellent LRT, bus and taxi connections to the rest of the Klang Valley.

### **Getting Here From KLIA (Kuala Lumpur International Airport)**

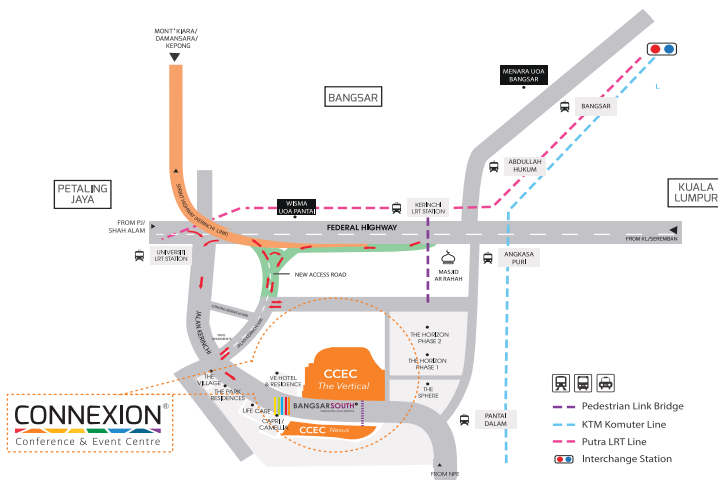

The fastest way to Bangsar South from KLIA is via the KLIA Ekspres, a dedicated rail service that journeys from the airport to KL Sentral in just 28 minutes. Thereafter, a 10 minute ride on the LRT (light rail transport system) will take you to Kerinchi, which is connected via covered footbridge to Bangsar South.

Alternately, bus and taxi services are available at KLIA and take approximately one hour to reach Bangsar South.

### **Getting Here From KL City Centre**

The LRT (light rail transport system) provides an efficient way to get from the city centre to Kerinchi station, which is connected to Bangsar South by covered footbridge. The journey along the Kelana Jaya line spans just 8 stops and takes just over 25 minutes.

Alternately, taxi services are available at KL City Centre.

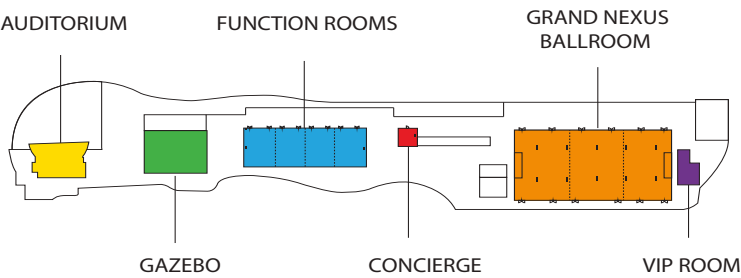

*The Only Connection You Need!*

Spread across two purpose-built venues - Nexus and The Vertical - Connexion Conference & Event Centre (CCEC) offers an array of event venues and facilities unmatched in the Klang Valley.

These venues range from intimate gathering spaces to auditorium and grand ballrooms, and are complemented by a full range of concierge services located at the event concierge respectively. Organisers and attendees also have access to over 1000 parking bays, full in-building Wi-Fi connectivity, advanced audio visual systems, teleconferencing facilities, a nursery room and a complimentary shuttle service - just a few of the extras provided that go into making every event at Connexion Conference & Event Centre extraordinary. Whatever your event requirements, this is the only connection you need!

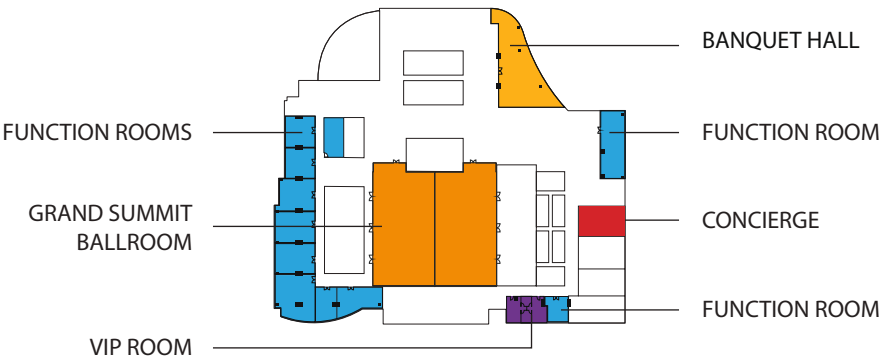

**CCEC, Nexus**

Located at the top floor of Nexus lifestyle hub, the first leg of Connexion Conference & Event Centre was designed to offer close proximity to a wide range of F&B and retail options and features 4 function rooms, 3 ballrooms, an auditorium, an on-site event concierge and an outdoor Gazebo.

**CCEC, The Vertical**

Launched in 2016, The Vertical is the newest leg of Connexion Conference & Event Centre and features a further 11 function rooms, a banquet hall and 2 ballrooms in addition to an on-site event concierge and two VIP rooms. It is connected by covered link bridge to Nexus, meaning events can be conducted simultaneously across the two buildings.

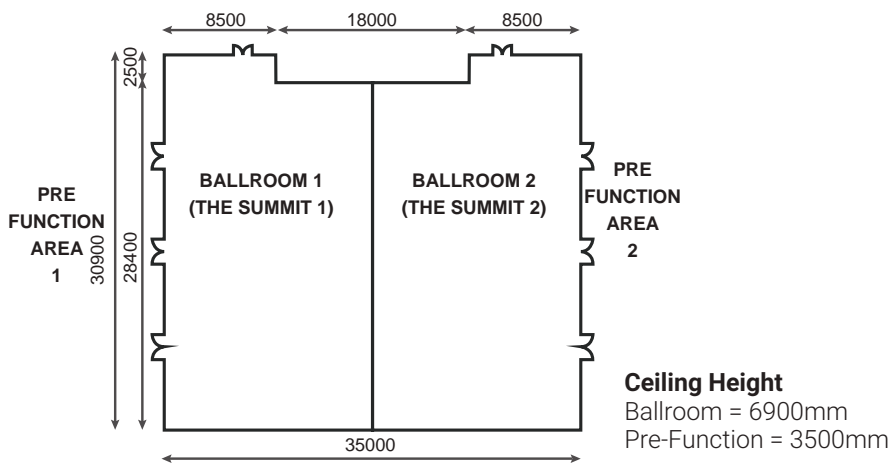

# THE BALLROOMS

CCEC, Nexus features 3 pillarless ballrooms with seating capacities ranging from 256 to 600 based on seating arrangement. Organisers of large functions such as weddings, corporate dinners and award ceremonies will appreciate the ease with which the ballrooms can be converted into a giant ballroom seating over 2100 guests.

Large events will also find a suitable home at the Grand Summit Ballroom at CCEC, The Vertical, which seats 1000 people in an inclusive circular configuration ideal for audience participation.

## CATERING SERVICES

Every event at Connexion Conference & Event Centre comes complete with a range of catering options customised to the needs of the event and its guests. Our team fuse the best of Asian and Western culinary traditions to tailor-make menus to your needs, and are equally at home readying a banquet dinner for 1,000 guests as they are casual hors d'oeuvres for afternoon tea.

Whatever your guests desire, our culinary team has the know-how to make it work, giving your event the extra shine and touch of class it needs to stand out.

## CHOICE OF GLOBAL HOTEL CHAINS IN THE VICINITY

*Connexion Conference & Event Centre shares its location at the very heart of Malaysia's business and social hubs with several global hotel chains. These include:*

**VE Hotel and Residence** is the newest addition to Bangsar South's hospitality offerings. Featuring 432 stylish hotel rooms and apartments, the hotel neatly fuses Asian warmth with modern sleekness while offering guests access to a range of F&B options as well as a 24-hour gym and infinity pool.

**Capri by Fraser** is conveniently located next to Nexus and offers guests the perfect balance of business and leisure. The 33-storey tower houses 240 spacious service units offering stunning city views, and its rooftop bar is a popular venue for drinks in the evening.

**The Pullman Kuala Lumpur** is a 5-star hotel that is a 5-minute drive away from Bangsar South. Featuring a quintessentially 1920's retro charm, it offers the business traveller a range of leisure offerings from a fully equipped wellness centre to an outdoor swimming pool, four restaurants and bars, and a roof deck with enviable views over the city.

**Le Meridien** is a 5-star property located adjacent to KL Sentral, Kuala Lumpur's transit link. The hotel exudes a home-away-from-home feel with its minimalist style and soft furnishings. Guests are assured of enjoying their sleep on irresistibly-fluffy goose feather duvets, amid a calm and quiet atmosphere.

**The Hilton Kuala Lumpur** is described as the ultimate lifestyle hotel. It showcases stylish and spacious rooms with floor-to-ceiling windows as well as 10 restaurants and bars. Its towering 35-storey building stands proudly next to the Nu Sentral shopping mall.

# WHENDINING, BE PREPARED TO BE SPOILT FOR CHOICE.

**B**angsar South has taken Malaysia's reputation as a food haven a notch higher by presenting an array of new restaurants and cafés to complement the local dining scene. An endless choice of international and local food is available on-site, making it an excellent venue to entertain international guests.

**Eau De Vie Retail & Bar Kuala Lumpur** is a seafood eatery. It serves hearty Italian seafood pastas as well as platters of fresh oysters and mussels. Tapas too are on the menu at this cosy restaurant. It features an impressive open bar that displays quality imported liquors, while the al fresco dining section is spacious and breezy with plenty of communal tables and benches.

**Edo Ichi** presents a full selection of contemporary Japanese delights made from rare imported ingredients and prepared to perfection. Its traditional setting and immaculate service make it the perfect venue for business entertainment.

**Mango Chili** serves Thai street food in a chic, contemporary atmosphere. This casual restaurant is a great place for a working lunch and serves an extensive menu ranging from delectable starters to delicious desserts, all at reasonable prices.

**Souled Out** is a popular Malaysian restaurant and bar located on the ground floor of Nexus. Its menu consists of a combination of popular local and international dishes and a wide range of cocktails and drinks. Souled Out is great place for a wholesome meal with friends and family or just to throw a big party.

Home favourites, traditionally served without any fanfare at local coffee shops and diners, are given a new twist at **PappaRich**. Using high quality ingredients and a keen eye for presentation, this local chain elevates local food to an art form and is the ideal location to become acquainted with Malaysia's rich food culture.
